Borg & Overström E4 · Compact Bottleless Water Dispenser

UP TO
50 L/h
CHILLED

UP TO THREE WATER OPTIONS

Chilled. Sparkling. Or hot.

From a chilled glass of sparkling to a hot cup of tea. The E4 gives three-way dispensing in a compact, modular design, on a worktop or floorstanding.

Chilled · Sparkling · Ambient · Hot · Touch-free

50L
Chilled water per hour

92°C
Hot water for tea and coffee

29cm
Dispense height for tall bottles

HOW IT WORKS

As easy as touching a button.

The E4 connects to your mains water, filters it, then chills or heats it on demand. Nothing to swap, store or run out of.

1

Touch

Pick from up to three water options on the touch panel, or pour touch-free by Bluetooth®.

2

Fill

A 290 mm dispense height takes water bottles, glasses and carafes.

3

Refresh

Up to 50 litres an hour at 2°C, and hot water at 92°C for tea.

INSIDE THE DISPENSER

What it's doing for every glass

ProCore® system. A compact, energy-efficient modular system with discreet ventilation.

Totality® filtration. Reduces sediment, odours, chlorine and microplastics for clean, crisp water.

Bluetooth® touch-free. Pour from a phone, with no shared touch points.

DryChill® cooling. Airless, rapid chilling that reduces the risk of contamination.

DeepSparkle®. Sparkling water with a long-lasting fizz, on sparkling models.

Antimicrobial finish. A durable Fynil® finish with antimicrobial protection.

Why it beats a bottled water cooler

	E4	BOTTLED COOLER
Supply	**Straight from the mains, so it never runs out**	Runs dry until the next delivery
Storage	**Nothing to store**	Stacks of full and empty bottles
Lifting	**None at all**	Heavy bottles to lift and swap
Running cost	**No charge per bottle**	Pay for every bottle delivered
Environment	**No plastic bottles or delivery vans**	Ongoing plastic and deliveries

COUNTERTOP OR FLOORSTANDING

Excellence through evolution.

Designed and built in the UK in a zero-to-landfill facility, the E4 uses eco-refrigerant cooling and recyclable components. Fit it on a worktop or on its floorstanding base.

Countertop | Floorstanding | Black finish | Silver finish

WHERE IT WORKS BEST

Offices
Chilled, sparkling and hot water all day.

Breakout areas
Fill bottles and carafes in seconds.

Receptions
A premium touch for visitors.

Canteens
Plenty of capacity for busy lunchtimes.

ADD-ONS

Make it your own

SensorBeam™ base cabinet
Illuminated floorstanding base with projection touchless dispense.

DeepSparkle® CO2 refills
Keep sparkling models topped up. Empty cylinders go in standard steel recycling.

Waste connection kit
Connects the drip tray to mains drainage, so there is nothing to empty.

Viovandt® UV-C LED
Optional, chemical-free UV purification that reduces bacteria and viruses.

Available in black or silver: chilled & ambient, plus hot or sparkling, or chilled, sparkling & hot.
