Borg & Overström T2+ · Countertop Digital Water Tap

NO **Bottles** NEEDED

DIGITAL TAP WITH BUILT-IN DRIP TRAY

Touch. Pour. Refresh.

Chilled, sparkling and ambient filtered water from a sleek countertop tap, with the drip tray and touch panel built in.

- Chilled
- Sparkling
- Ambient
- Touch-free option
- EcoMode

80L
Chilled water an hour (ProCore+)

2°C
Chilled and sparkling

31cm
Dispense height for tall bottles

HOW IT WORKS

Digital precision, glass after glass.

The T2 sits on the worktop with its own drip tray, so no sink is needed. The chiller hides under the counter.

1

Touch

Choose chilled, sparkling or ambient on the integrated touch panel, or dispense touch-free via Bluetooth®.

2

Pour

A 310 mm dispense height takes water bottles, glasses and carafes with ease.

3

Refresh

Up to 80 litres an hour at 2°C with ProCore+, and EcoMode saves energy when it's quiet.

INSIDE THE TAP

What it's doing for every glass

ProCore® system. A compact, energy-efficient chiller unit sits out of sight under the counter.

Totality® filtration. Reduces sediment, odours, chlorine and microplastics for clean, crisp water.

EcoMode. Energy-saving technology for efficient, powerful performance.

DryChill® cooling. Airless, rapid chilling that reduces the risk of contamination.

DeepSparkle®. Sparkling water with a long-lasting fizz, on sparkling models.

Antimicrobial touch panel. Silver ion protection and an easy-clean Fynil® finish.

Why it beats a bottled water cooler

	T2	BOTTLED COOLER
Supply	**Straight from the mains, so it never runs out**	Runs dry until the next delivery
Storage	**Nothing to store**	Stacks of full and empty bottles
Lifting	**None at all**	Heavy bottles to lift and swap
Running cost	**No charge per bottle**	Pay for every bottle delivered
Environment	**No plastic bottles or delivery vans**	Ongoing plastic and deliveries

COUNTERTOP CONVENIENCE

No sink? No problem.

With the drip tray built into its base, the T2 works on any worktop in a kitchen, canteen or communal area. The MonoFit® base makes fitting and retrofitting quick, with minimal cutting.

Any worktop | No sink needed | Black finish | Steel finish

WHERE IT WORKS BEST

Offices
Premium water for staff and visitors.

Canteens
Quick refills at busy break times.

Communal areas
A focal point for breakout spaces.

Receptions
A smart first impression.

ADD-ONS

Make it your own

MonoFit® easy-fit base
10 mm raised profile and a single service hole for minimal worktop cutting.

DeepSparkle® CO2 refills
Keep sparkling models topped up. Empty cylinders go in standard steel recycling.

Bluetooth® alarmed waste kit
Sounds an alarm at a high water level and switches the control panel off.

Viovandt® UV-C LED
Optional, chemical-free UV purification that reduces bacteria and viruses.

Available in black or steel. ProCore+ is available for higher-demand sites.
