Cosmetal Hi Class 30 · Table Top Water Cooler

TABLE
Top
OR FLOOR

A MODERN CLASSIC

Sleek. Chilled. Smart.

A sleek, contemporary table top cooler for compact spaces, with an LED strip light and simple push button dispensing.

- 30 litres an hour
- 30 cm dispense
- LED strip light
- Black or white
- Sparkling option

30L
Chilled water an hour

30cm
Dispense height for bottles

23kg
Compact table top unit

HOW IT WORKS

Push, pour, refresh.

The Hi Class connects to your mains water supply and chills it with ice bank cooling, so it never runs out.

1

Push

Press the button for ambient, chilled or sparkling water.

2

Fill

A 30 cm dispense height takes sports bottles and jugs with ease.

3

Refresh

Up to 30 litres of chilled water an hour, ready for the next person.

INSIDE THE COOLER

What it's doing for every glass

Ice bank cooling. Keeps a reserve of chilled water ready to pour.

LED guide light. A blue LED strip helps line up your glass or bottle.

Contactless upgrade. Solenoid dispensing can be upgraded to touch-free.

Anti-flooding valve. Built-in protection against leaks.

Integrated drip tray. A sturdy build with the drip tray built in.

UV-C option. Klaran UV-C LED protection at the point of dispense.

Why mains fed beats bottled

	MAINS FED	BOTTLED COOLER
Supply	**Straight from the mains, so it never runs out**	Runs dry until the next delivery
Storage	**Nothing to store**	Stacks of full and empty bottles
Lifting	**None at all**	Heavy bottles to lift and swap
Running cost	**No charge per bottle**	Pay for every bottle delivered
Sparkling	**Available on sparkling models**	Not available

STYLISH AND EASY TO USE

Looks the part, wherever it goes.

Futuristic design and a small footprint make the Hi Class at home on a worktop, in a meeting room or on its matching floor cabinet.

Glasses | Bottles | Jugs | Cups

WHERE IT WORKS BEST

Offices
Chilled water for staff and visitors.

Meeting rooms
Stylish enough for client areas.

Receptions
A modern first impression.

Gyms
Tall bottles fill with ease.

ADD-ONS

Upgrade your Hi Class

Installation rail & filter
Compression fitting, 1-micron filter, water block, pressure reducing valve and non-return valve.

Klaran UV-C LED
Point of dispense protection against bacteria and viruses. Factory fitted or self install.

Contactless dispensing
Touch-free upgrade that helps avoid contact contamination.

Base cabinet
Turns the table top into a floor standing unit, with cup dispenser and storage.

Sparkling models need a CO2 cylinder and our REGCO2 gas regulator, suitable for 600 g disposable cylinders.
